RESIDENTIAL PROJECT PRIOR WORK EXCLUSION (for all coverages)

This endorsement modifies the Conditions provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

This insurance does not apply, and the Company shall have no duty to defend any claim or "suit" seeking any damages for any ″bodily injury″, ″property damage″ or ″personal and advertising injury″ arising from any work or operations performed in whole or in part before the inception of this policy by you or any contractors, subcontractors or suppliers working directly or indirectly on your behalf on or in connection with any "residential project" regardless of whether the work continued into the period of this policy, and regardless of when the damage or injury took place or is alleged to have taken place.

As used herein, "residential project" includes any condominium, townhome, single family dwelling, multifamily dwelling, row house, time-share, and any other residential project or residence or structure contained therein, that includes structures intended for human residence, including all common areas and/or structures within such project, and including projects that are "mixed use" (e.g., include areas for commercial and/or community operations, such as retail stores, libraries, schools, playgrounds, streets, and hillside/slope areas). "Residential project" as used herein includes apartment projects of any size if, at any time, such apartments are converted to a type of "residential project", regardless of whether the conversion process was known to any insured, or commenced prior to, during, or after the insured's work was performed. All other terms, conditions and exclusions under the policy are applicable to this Endorsement and remain unchanged.
