This endorsement modifies the Conditions provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

Solely with respect to any premises, site, or project located in the states of Hawaii, Ohio, or Pennsylvania, the “occurrence” definition under **SECTION V- DEFINITIONS**, Paragraph 13. "Occurrence," is amended to include the following:

> Faulty workmanship alone does not constitute an “occurrence.” However, if the insured becomes legally obligated to pay damages because of faulty workmanship performed by the Named Insured or on its behalf, that causes “property damage” to property other than “your work” or "your product," then such “property damage” will be deemed to be caused by an “occurrence”, but only if the “property damage” is unexpected or unintended from the standpoint of the insured, and subject to all other policy terms, and coverage limitations, conditions and/or exclusions that may apply.

All other terms, conditions and exclusions under this policy are applicable to this Endorsement and remain unchanged.
