DIGGING/EXCAVATION EXCLUSION

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

The following exclusion is added to **SECTION 1 - COVERAGE A BODILY INJURY AND PROPERTY DAMAGE**, Paragraph **2. Exclusions** and **SECTION 1 – COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY**, Paragraph **2. Exclusions** of the **COMMERCIAL GENERAL LIABILITY COVERAGE FORM**;

Any "claim" or "suit" for "bodily injury", "personal injury", or "property damage" arising out of, resulting from, caused by, contributed to, alleged to be, or in any way related to, in whole or in part, from any work or operations performed by you or on your behalf that involve digging, excavation, boring or any similar underground work of any nature, unless the following conditions precedent are satisfied:

(1) Prior to commencing any digging, excavation, boring or similar underground work, a professional third-party local locator service has come to the job site and marked all underground lines, pipes, cables, and underground utilities in and around all areas upon which any insured or their employees or contractors intend to perform work. The insured must obtain and maintain a copy of a written response from the locator service;

(2) All utility lines are actually disconnected or turned off (rendering the lines inoperable) prior to commencement of the work or operations and remain disconnected or turned off until completion of the digging, excavation, or related work or operations.

For purposes of this exclusion, the term "utilities" shall include, but not be limited to, sewer, gas, water, telephone, fiber optic, data, and electric lines.
